# TIRE RECYCLING EVENT TIRE AMNESTY

**Come Early! Trailers Will Fill Up Fast!**

The City of Richmond Department of Public Utilities will host a tire recycling/tire amnesty event to help clean up your business and neighborhood of old, unwanted and abandoned tires. Residents and businesses can take this opportunity to bring old tires to be recycled.

**Saturday, June 4, 2016**

**1710 Robinhood Road, Richmond, VA  
(across from the Arthur Ashe Center)**

**9 a.m. – 2 p.m.**

**FREE!**

Abandoned tires are a danger to public health and the environment.

Abandoned tires become infested with mosquitos, rodents, and snakes.

They also create a potential environmental danger by increasing the risk of fire.

Burning tires create very intense heat and are extremely difficult to extinguish.

Run-off from tires can also contaminate surface water and pollute the James River

For questions, please call the DPU Water Resources Division at (804) 646-0177
